WORK EXPERIENCE

2026 USA Special Olympics | Minneapolis, MN

May 2026 – July 2026

Production Engineer

- Orchestrated planning and live execution across the national multi-venue sporting event involving 3,000+ athletes, 1,500+ coaches, 56 sponsors, multiple fanzones, special talent representation and live broadcasts.
- Created volunteer playbooks deployed across 13,000 Games volunteers and personally onboarded and led 150 volunteers for the USA Games Fan Zone.
- Designed live jumbotron content for the ESPN Unified Sports Challenge at Allianz Field, including interactive trivia graphics, game-day content, and branded athlete packages for all featured talent.
- Worked directly with on-site talent throughout live operations with personal assignment to the Games' founding family (Shrivers) as well as other NBA, NFL, MLB, PGA, and Olympic athletes.

2026 USA Special Olympics | Minneapolis, MN

May 2025 – July 2025

Marketing & Events Intern

- Conceptualized and designed the ESPN Unified Challenge event, creatively integrating 16 sports to enhance event structure and maximize partner appeal
- Strategized activations for Accenture, Target, Jersey Mikes, U of MN, US Bank, and other sponsors to amplify brand awareness and engage customers through memorable experiences
- Contributed innovative proposals formulated through detailed research to elevate high-profile outreach efforts for the Celebrity Ambassador recruitment
- Developed a centralized SmartSheet dashboard that organized all Special Olympics event details for seamless team reference across all phases of event planning

Castle Design Build | Kirkland, WA

June 2024 – August 2024

Sales & Market Research Intern

- Generated 30 high-quality leads for house remodeling projects through canvassing, contributing \$870,000 in projected revenue as the top performing intern
- Trained mid-summer cohort of 4 interns, developing innovative mock sales situations and shadow opportunities to ensure success securing clientele

LEADERSHIP EXPERIENCE

Mary's Place Soccer Clinic | Kenmore, WA

April 2022– August 2025

Founder and Coach

- Founded free soccer clinic at local homeless shelter for 20 children, resulting in over 25 hours of free childcare for working parents of the shelter
- Developed innovative partnerships with local youth teams, obtaining \$750 in equipment donations
- Spearheaded coach leadership program at Inglemoor High School, training new student coaches to ensure organizational success into the future

Washington DECA Alumni Mentor | Remote

September 2023 – June 2025

Tutor

- Dedicated 10 hours per week to mentoring and coaching high school students in DECA business and leadership concepts
- Guided 14 students to qualify for the state and national competition through personalized support in case preparation, role-playing, and presentation skills
